Kate Clark

*Kate Clark, amazing sculptor and mother-to-be, lives in Manhattan, works in DUMBO and probably knows more about taxidermy, preserving animal skin and the world of hide-dealing than anyone else you know.*

**Chief Magazine:** So, when you were a kid did you want to be an artist?

Kate Clark: Yeah, actually, my Dad was a painter, he had his own company, but he always painted and I painted, but I didn't switch to sculpture until college- actually had a boyfriend in the sculpture department that was part of the switch... [laughing]...

**Where'd you go to college?**
