FROM STORE ON TOUR

Cute and Creepy at MoFA

We couldn't have been more stoked that while in Tallahassee for the [Store on Tour](#), we came across the "Cute & Creepy" exhibition at the MoFA! We love the pieces from [Elizabeth McGrath](#) and are now total fans of [Kate Clark](#) after spotting her sick gazelles! Open through November and free to the public, go see these cool curiosities in person at once! X - Jen
